Why is it important to keep your lawn tidy?

With warmer weather on the way, we want to remind you of why it is important to keep your yards in good shape and well maintained.

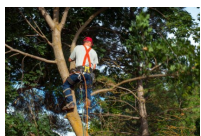

When your lawn is in good shape, your family has a quality outdoor space to use and enjoy, increasing your quality of life. That same lush lawn improves your property value and the value of your neighborhood.

Spring clean-up day for the community is to be effective on Saturday May 6, 2017 – Sunday May 7, 2017.

All members of the community are invited to get together and clean up the Harbor Ridge maintenance areas. Areas to meet will be in front of the Resurrection Lutheran Church (Browns Point and Silver Bow Road);

Tree maintenance

Certain important CC&Rs, Operating Procedures and ACCs are to be included in the newsletter to remind existing and new members of the importance of maintaining their trees below 15 feet high.

Neighborhood Night Out

Neighborhood Night Out, which is the summer activity community party at Harbor Ridge for all members, kids and families to participate, will be effective on Tuesday, August 1st, 2017 at the Resurrection Lutheran Church
